

“中科院南京土壤研究所&伏热花海”  
生态研学线

The Ecological Study Tour to  
ISSCAS&Fouroux Valley

一、时间

**I. Date**

2026 年 6 月 10 日

Jun.10, 2026

二、地点

**II. Location**

中国 • 南京

Nanjing, China

三、行程路线

**III. Itinerary**

酒店—中科院南京土壤研究所—伏热花海（土壤剖面）—酒店

Hotel→ Institute of Soil Science, Chinese Academy of Sciences→ Fouroux

Valley (the soil profile) → Hotel

四、行程安排

**IV. Schedule**

9:00 出发

9:00 Depart from the hotel

10:00 到达中科院南京土壤研究所

10:00 Arrive at Institute of Soil Science, Chinese Academy of Sciences

10:00—12:00 参观中科院南京土壤研究所

10:00—12:00 Visit Institute of Soil Science, Chinese Academy of Sciences

12:30 集合前往下一站

12:30 Meet up for the next place

六、景区简介

## **VI. Introduction to Scenic Area**

伏热花海（Fouroux Valley），于 2018 年 4 月初步建成并对外开放，是一座花卉植物园区，为国家 AAA 级旅游景区。花卉造景借鉴北海道花海景观风格，依托江南丘陵地貌建设纯美花卉景观。花海部分由 9 片花海景观和 4 个特色花园组成，并配有花卉商店、切花温室、园艺课堂等配套设施。

Fouroux Valley is national AAA tourist attraction which is a floral botanical garden initially completed and opened up in Apr.2018. The floral landscaping draws upon landscape style of Hokkaido's floralsea, which is constructed a pure and beautiful floral landscape relying on hill landform of Jiangnan. The floralsea area consists of nine floralsea landscapes and 4 featured gardens and there are supporting facilities of flower shop, greenhouse of fresh cut flowers and grdening lessons ect.
