Dear Feifei Tang,

Thanks for your interest in WCSS2026. Congratulations on successfully registering and completing the payment to become a delegate of this event. The Congress will be held at the Nanjing International Expo Center from June 7th to 12th, 2026.

To ensure that your registration and payment process has been completed smoothly, please carefully review this confirmation email. If you have any questions or concerns, please do not hesitate to contact us at wcss2026.reg@issas.ac.cn.

Information about your registration

Name: Feifei Tang

Email: tangff@issas.ac.cn

Registration Type: Student,One Gala Dinner

Paid Amount: 0

For security reasons, your password will not be displayed in this email. Please remember your login password to ensure smooth access to the Congress website.

Visa

Most foreign nationals need a Visa to travel to China. For detailed information on how to apply for a Visa, please refer to the [Chinese Visa Application Service Center](#).

Internet Access

Some international apps (e.g., Google, WhatsApp) may be unavailable in China. We suggest that you download the materials in advance and activate the international roaming service. Complimentary Wi-Fi at the venue/hotels supports academic databases.

Language

English proficiency in Nanjing's service sector is limited. Installing translation apps will help a lot.

Power Adaptation

China uses 220V voltage with Type A (flat two-pin) or Type C (round two-pin) outlets. For Type A/B (US standard), Type C/E/F (EU standard), and Type G (UK standard) devices, a self-prepared conversion plug is required.

Payments

Visa/Mastercard are accepted at major hotels/stores, but smaller vendors/taxis often require cash (CNY) or mobile payments (WeChat Pay/Alipay). We recommend you to exchange cash (500-1000 CNY/person) and link international cards to mobile payment apps beforehand.

We look forward to meeting you at WCSS2026!

Important Notes: This is an automated message—please do not reply directly to this email.
